## Quality of Information

---

The U.S. Department of Agriculture (USDA) has developed administrative mechanisms to allow affected persons to seek and obtain correction of information disseminated by USDA on or after October 1, 2002, regardless of when the information was first disseminated, that they believe does not comply with Office of Management and Budget (OMB) or USDA Information Quality Guidelines. USDA's Quality of Information Guidelines, and information on Correction Procedures are available at: [http://www.ocio.usda.gov/irm/qi\\_guide/index.html](http://www.ocio.usda.gov/irm/qi_guide/index.html).

The Grain Inspection, Packers and Stockyards Administration's Quality of Information official may be reached at:
